Dear Church,

Thank you for your tremendous support of Christy and me these past several months. We have felt the love of The Lord through you in all that we

have faced. I am so excited about all God is doing here at LifePath and the more that I believe He desires to do in and through us in the days ahead.

Christy and I are certain of and committed to this assignment from Jesus at LifePath for the long haul. In light of the recent challenges in our lives, the District Supervisor has asked that Christy and I take a one month sabbatical to rest, refocus and refine our life and ministry. Our pastoral team is prepared to serve our Church family while we are away and I am confident you will feel loved and well cared for. I will be away with my family from July 29th through August 28th and covet your prayers as we take this time to rest and receive ministry from The Lord. We love you all and look forward to being with you again soon.

In Christ's Love,

The Coopers
